

Our Inspiring Careers Programme

With over 25 years' of experience in the careers guidance sector, we have a proven track record of supporting schools, colleges and training providers excel in providing impartial careers information, advice and guidance.

Careers Guidance Activities (Gatsby Benchmarks 2, 3, 4 & 8)

- » Level 6 Careers Advisers providing one-to-one guidance, group sessions, parents' events, and other activities, both in-person and remote with the same quality of service
- » Your contract includes a partnership agreement, feedback surveys, regular reviews, and an end-of-year evaluation

Work Experience (Gatsby Benchmarks 5 & 6)

- » Fully sourced work experience placements, student self-sourced placements, or workplace assessment only. We match students to employers, conduct H&S checks, provide paperwork, contact during placement and evaluation reports.
- » We offer work shadowing, workplace visits, employer talks and employability sessions.

The Quality in Careers Standard (Gatsby Benchmark 1)

EDT is an awarding body for the Quality in Careers Standard, providing initial assessment and reaccreditation based on Ofsted outcomes. Our approach includes consultancy support, CPD activities and annual reviews.

Continuing Professional Development

Skills and Training

Our specialist training programmes are primarily delivered online by a team of highly qualified assessors and internal quality assurers. Qualifications offered include Level 4 & 6 Diploma in Career Guidance/Leaders and Level 3 & 4 in Information, Advice and Guidance.

Bespoke CPD

We can offer CPD to governors, SLT and teachers as well as provide teacher employer encounters. Through our Grow Programme we can support the training of your own staff through supervision and quality assurance.

All our contracts receive the following as part of our added value offer:

- » CHOICES magazine for Year 11 students
- » Monthly LMI newsletter during term time
- » Impact reviews, distance travelled and feedback reports
